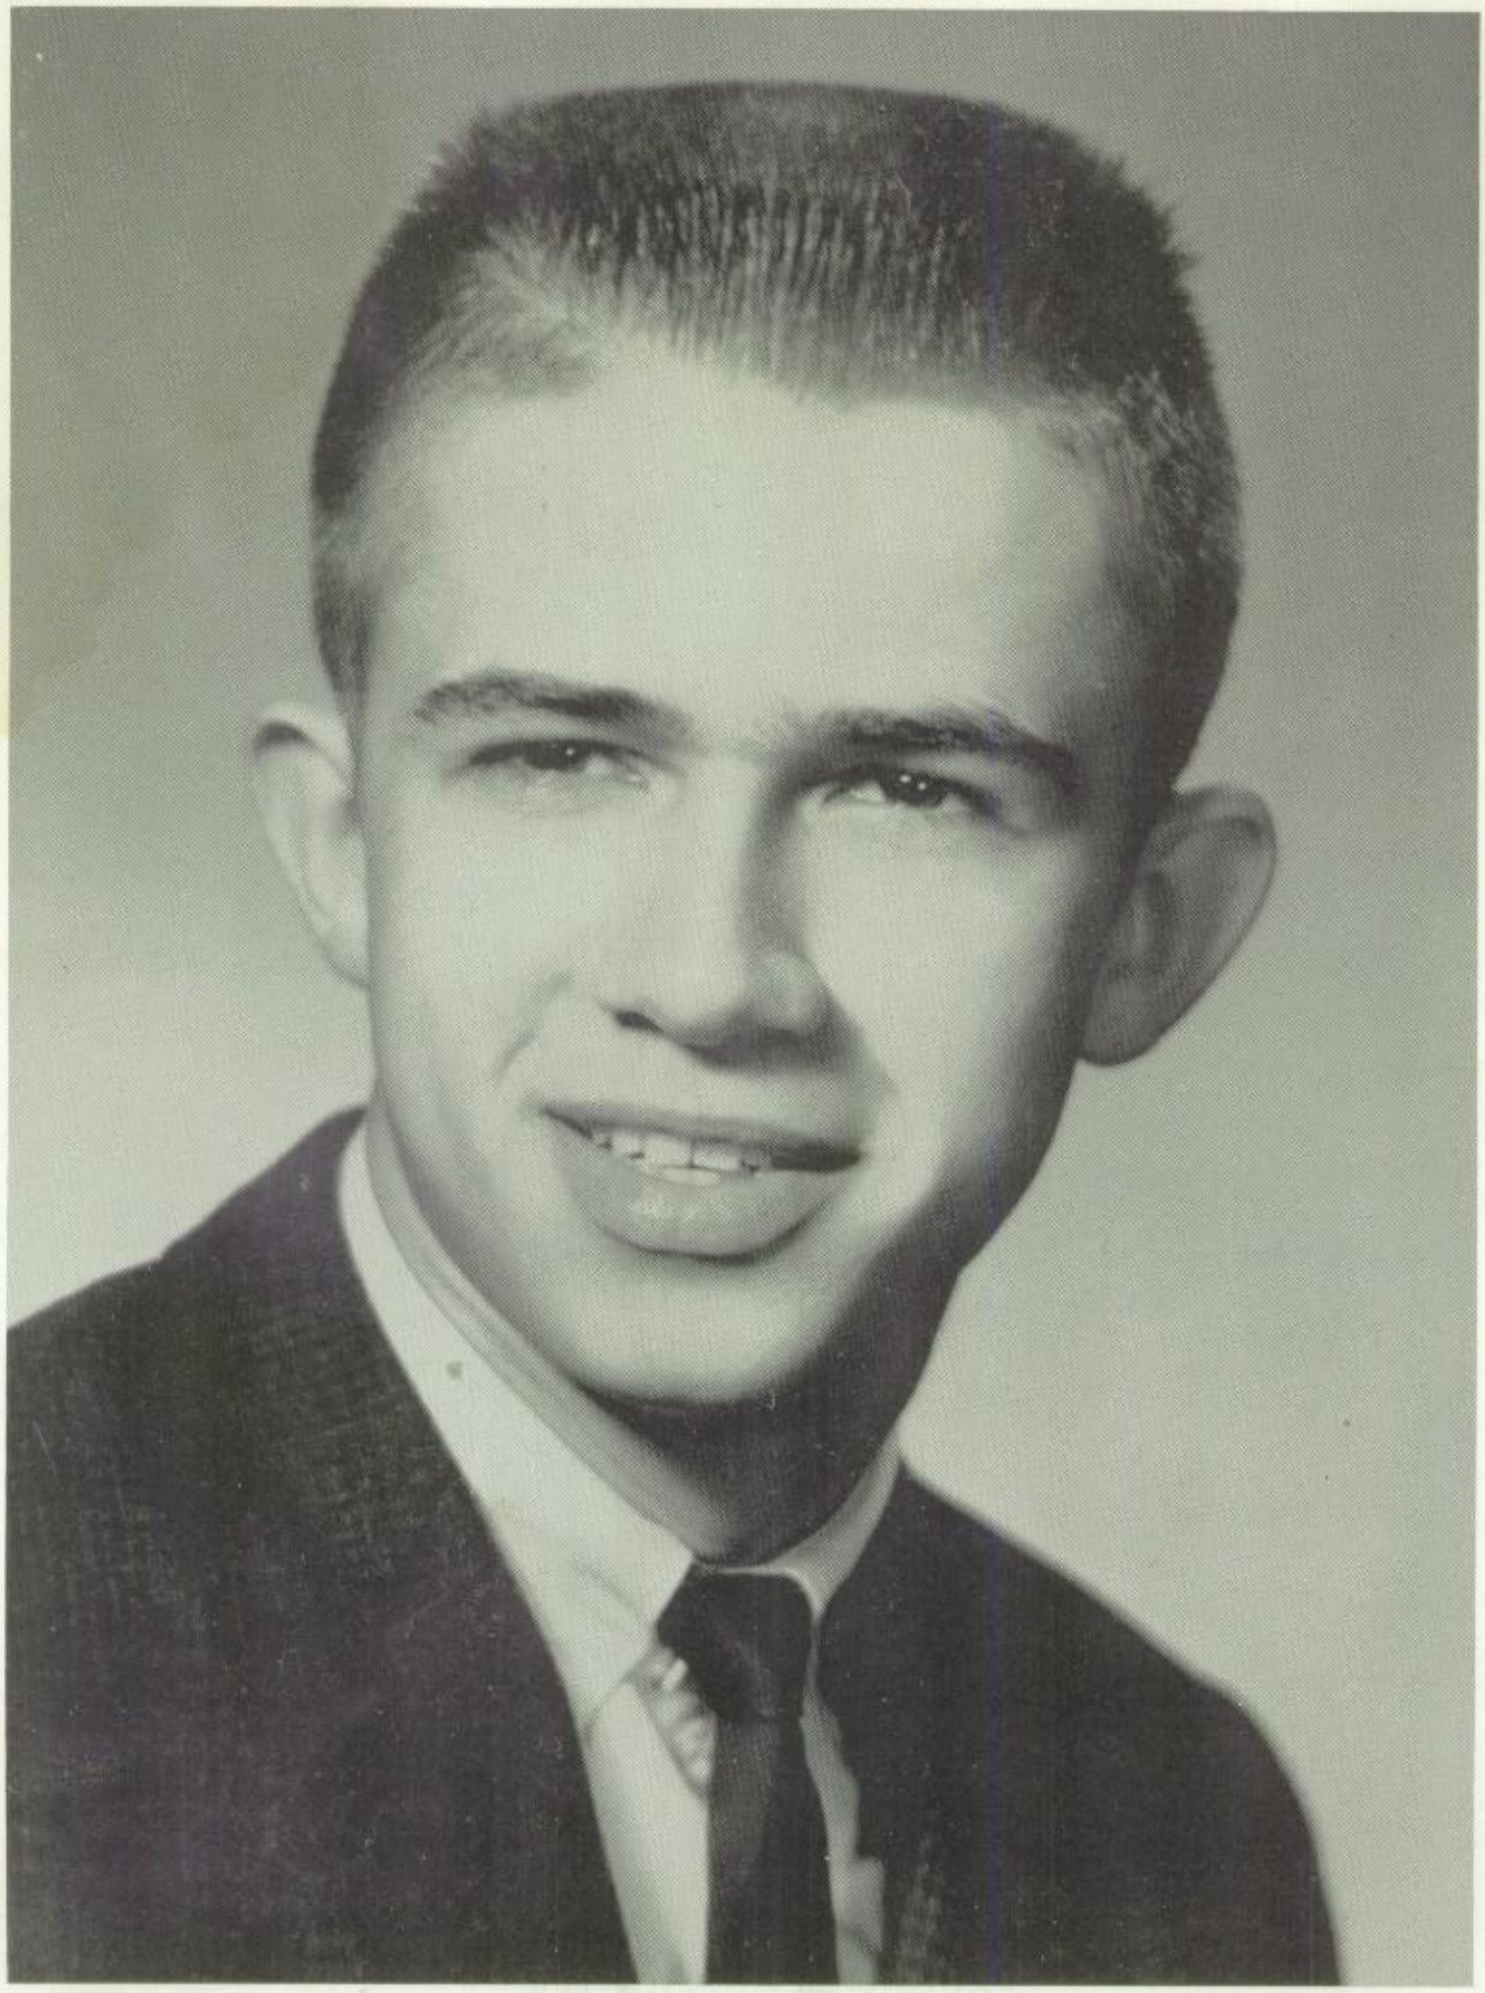
Dedication

To one who has served the school and students in many ways for more than thirty years - One who has helped us realize that each new day we have something which must be done. Such a person as she, knows that being forced to work, and doing our very best will breed temperance, self-control, diligence, strength of will, and content. These virtues she possesses.

The '63 Mirror acknowledges the fact that this dedication has long been overdue. To you we dedicate the 1963 Mirror -

MRS. HILLIARD JONES.

In Memoriam



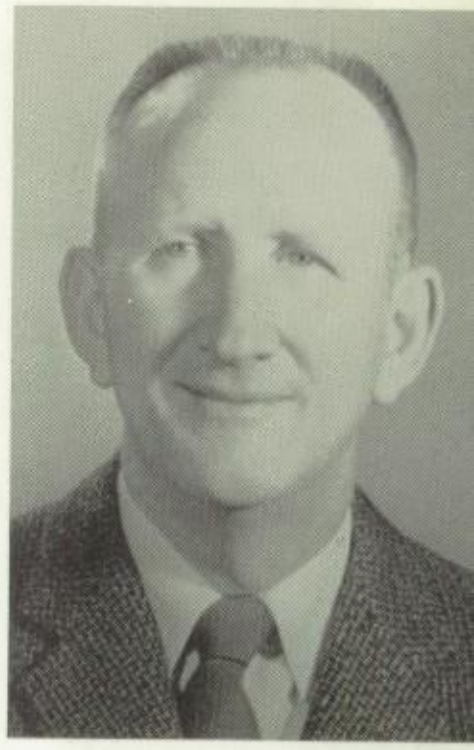
RICKY STILES

On November 2, 1962, a tremendous loss was felt by the students and faculty of Malvern High School. Ricky Stiles, who would have graduated with us this spring, quite suddenly and unexpectedly silently closed the door of life and departed from us never to return again.

We feel that he will always be remembered as a classmate and a friend. We know that his loss is one that has been difficult to overcome.

Administration

School Board



SAXON ARNOLD
President

These five men are the guiding mainstay of our school and school district. They have procured a new language laboratory, which will be completed this summer and they are constantly planning for improvement in our school system. The board sets up the curriculum for the students, selects the finest teachers possible, and sets up the governing policies for the whole school district. They serve without pay and do a wonderful job. To them we owe a big "Thanks" for all their work and effort.

Superintendent's Message

Our annual staff has done an excellent job of placing the activities of this year in our full view, thus enabling us to make comparisons with the past and the future. They have preserved for us the many pleasant experiences of this and other years which are recorded in its pages or revived in memory by their content.

We will recall these experiences in the years to come with ever increasing gratitude to faculty and fellow students who have provided them and to the annual staff for making this record which will bring them to memory again and again.

LYAL L. BRUCE

Miss Judy Williams, Feature Editor
Malvern High School,
Malvern, Arkansas

Dear Miss Williams:

It was a very difficult task to choose the most beautiful girl and the best looking boy out of the pictures you sent us to choose from. We have marked on the back the picture we voted for the most beautiful girl and the best looking boy. They were all very attractive, and it was a very difficult decision.

I am enclosing a glossy print of myself as per your request, and am sorry to say that one of Mrs. Broyles is not available.

Malvern's mighty Leopards got off to a flying start by clawing the Magnolia Panthers 20 to 0 in the first game of the season. The very next week the Leopards had upset in mind and came out on top of Crossett by a tight score of 7 to 6.

In the third game of the season, Malvern played a tough rival, Catholic High, but could not overcome them and fell fighting all the way by a score of 13 to 6. The Hope Bobcats knocked Malvern to its second defeat by a score of 35 to 13.

The Leopards fought and fought hard against Camden Panthers and wound up in a deadlock 6 to 6. The number one class AA football team, Conway, was the next opponent and the Wampus Cats came out on top 21 to 0.

One of the sweetest wins of the year was on Homecoming night when the Leopards handed Arkadelphia a 19 to 0 defeat. Sheridan handed Malvern its next defeat by a score of 12 to 7. The following week under adverse conditions, the Leopards fought courageously but fell to powerful Benton 47 to 20.

Smackover handed the Leopards their next defeat, knocking them out of the district race, by a score of 13 to 7. In the final game of the season the Leopards fell to the District Champion Fairview Cardinals 26 to 14.

Jim Cole and Jeff Kennington, our co-captains, capped additional honors by being chosen to the 4AA All-District Team. Cole was also honorable mention to All-State.

We feel that, even though the scores were not the best, we have had a good season because of the sportsmanship and fair play of our team and our fans.

'62-'63 Leopard Team

The Leopards were guided through this season by a fine line of coaches. Bill Hunt is now in his 6th year as head coach at Malvern. The other members of the coaching staff are new this year. Jerry Hall, who came to us from McGee, is our basketball and football offensive line coach. Jerome Wesson, though responsible for the Leopard Cubs, coaches the senior defensive line. Don Chenault coaches our backs and is our fine scout. These men are the coaches that have instilled good sportsmanship and fair play in our school this year.

1962 Football Cheerleaders

The football cheerleaders are chosen the previous year by the student body. They practice all summer and attend cheerleader camp in order to be ready for the start of the season.

The cheerleaders are responsible for pep assemblies, pep rallies, football scorecards, and the cheering at all Malvern football games. Besides this they decorate for homecoming and for the football banquet.

We can truthfully say they were the hardest working group of girls during football season.

Some of their projects this year were pep pills, a spirit meter, and a pep assembly recording for the radio.

They tried their best and put out a great deal of effort to try and keep our spirit at a high level.

"A" Team

The Malvern High School Leopard basketball team had its most successful season in recent years by leading the district through most of the year.

Malvern started slowly with a 44 to 55 loss to Arkadelphia. In the next game the Leopards beat Magnet Cove 65 to 33 but then lost to Ouachita 39 to 45. Bauxite proved easy as they fell to the Leopards by a score of 52 to 30.

With the final score of 59 to 38, Benton overcame the Leopards but in the next game the team beat Magnet Cove 57 to 34. In the Little Rock University Tournament the North Little Rock Wildcats lashed the Leopards with the final score being 70 to 33. White Hall followed afterwards and handed our team a 76 to 67 loss. The Leopards bounced back though and beat Ouachita 64 to 55.

In the first game of the district play, Malvern was beaten 62 to 65 by Fairview but the Leopards came back brilliantly by beating the following district teams: Magnolia 61 to 48, Hope 63 to 59, and Crossett 49 to 46.

The Leopards then beat Arkadelphia 63 to 52 and the district team Smackover 52 to 40.

In the first game of the County Tournament the Leopards beat Magnet Cove 66 to 49.

The following afternoon the Leopards beat Crossett 59 to 54 and that night capped the County Senior Boys Championship by beating Glen Rose 82 to 54. Malvern's next loss was to Sheridan 46 to 55 and in the last game before our final annual shipment Malvern defeated Smackover 53 to 44, and led the District with a record of 7 wins and 1 loss. The final results of the season will appear in the supplement.

Student Council

President

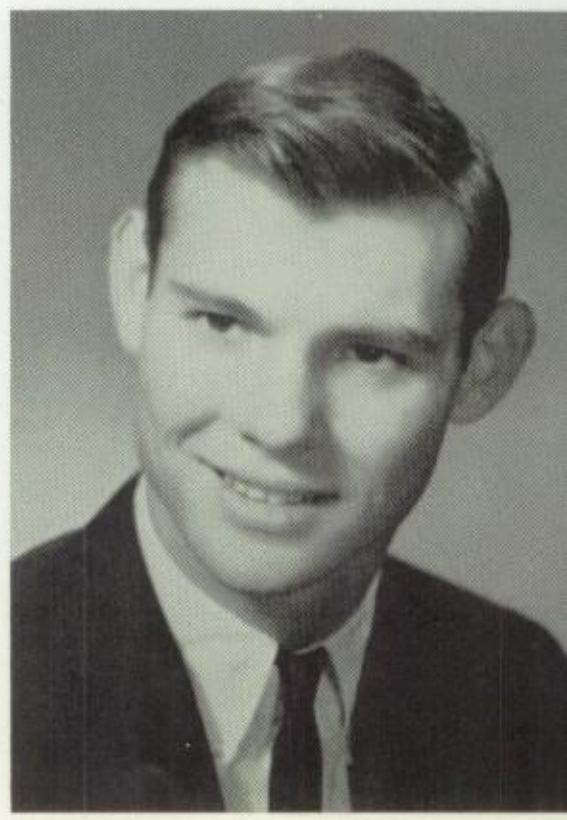
James Daniell

Each year the student body of Malvern High School elects the President and Vice-President of the Student Council. The candidates for these offices are nominated through the two conventions, each nominating a candidate for each office. After several days of vigorous campaigning and speeches, the student body chooses its leaders. The winning ticket for 1962-63 was James Daniell and Jim Cole.

The other officers are: Recording Secretary, Charlane Virgin; Corresponding Secretary, Dianna McKinley; Treasurer, Jeff Kennington; Reporter, Valita Goza; Parliamentarian, Greg Loser.

Vice-President

Jim Cole



Student Council Activities

The purposes of the Student Council are: (1) To secure by every means within its power the proper conduct and thoughtful observance of school regulations on the part of the student body, and to promote harmonious relations between teachers and students and among students themselves (2) To serve as the instrument for promoting and correlating extra-curricular activities, and (3) To cooperate with the principal and teacher staff in devising means of raising scholarship.

Each member of the Student Council is elected by a homeroom. A representative must be in attendance at all council meetings, must participate in meetings and in committee work, and must always observe and practice strict parliamentary procedure. In addition, he must report all matters to the homeroom that are referred to it by the Council and must report all matters referred to him by his homeroom. He must have a good character and be willing to work.

The Student Council has been very busy this year. They have sponsored the student lounge, the teachers' lounge, cleaned the infirmary, and sold milk in the lunchroom. The football and basketball activities and the Christmas dance were staged by them. The Council has tried very hard in many ways to pep up school spirit and has operated the Christmas and Valentine mailboxes. All in all the Student Council is the driving spirit of our school and deserves much praise from all of us.
